Dr. Fowler,  
I wanted to keep you up to date with things here in KC.

I have been having difficulties getting in touch with Margie from UMKC. I am still hopeful that they will elect Jeremy and I as advisors before the national convention. I hope to connect with her before the end of this week.

I called and talked to Roger Hawks at TBP National Headquarters this morning. He advised Jeremy and I to send in our national convention registration forms and register as UMKC advisors, even though that status has not been confirmed yet.

Since I volunteered to help out at the registration table at the convention, even if UMKC does not elect me as an advisor, my expenses will still be paid since I will be working with the host chapter.

See you soon,
